ASSOCIATION

AIA does the following work

Promoting multicultural society

A multicultural society refers to a society composed of people of different nationalities and ethnic groups living together as members of the community who acknowledge cultural differences and strive for equality.

Consultation for Foreign Residents

AIA provides telephone consultation service for foreigners who living in Akita.

For matters such as residence permits, medical, education, Japanese class, interpretation/ translation, international marriage, divorce etc.

※ Please check the service time and languages at back.

AIA Community Supporters and Volunteers

We are looking for people to register as "AIA Community Supporters" who are willing to interpret, translate or introduce the culture of their home country.

We also have other programs like "Host Family Volunteers", "Event Volunteers" and "Chatting Volunteer".

Workplace Visit and Internship

We introduce our works and projects to children and students in Akita prefecture and also offer internships program on request.

Revitalising the activities of non-governmental organization

Support for International Exchange organizations

AIA provides subventions for non-governmental organizations in fields of international activities. By promoting the registration for Akita International Relations Network (AIR), we aim to introduce their activities to a wide public in the prefecture.

Disseminate information through our website and social media

We provide information through our website in English, Chinese, Korean and Japanese. Also our social media posts help you get useful information much easier.

Providing information and opportunities for international activities

Organizing Akita International Festival

AIA international festival is an annual festival with the aims to deepen interest in international exchange and multicultural understanding through the cultural introduction by foreign residents and activities introduction by international exchange organizations.

The festival of 2023 will be held on 1 October at Akita community-based center "ALVE".

Managing Multicultural Exchange Space

- ◆ Various events
 - English children's book reading
 - Multicultural event etc.
- ◆ National flags and ethnic costumes rental service
- ◆ UNICEF library rental service (VHS/DVD)
