

food bank AKITA

What is Food Bank Akita?

For several reasons there are still many cases where food is unsold at stores and ends up getting thrown away. There are also cases where people receive food but are unable to eat it all by themselves or with their family. Food Bank Akita collects such food that can still be eaten, and distributes it to people who want it.

How to apply

People who want food should send an email to or call the AIA. Tell us the following 4 pieces of information by phone or email.

- ①Name ②Address
- ③Phone number • Email address
- ④If you have allergies, or foods you cannot eat due to religious or other reasons (examples: dairy, pork)
